

**Going to**

**Kindergarten**

**AT**

**Leary IAT Elementary**

This is my school.

When I arrive, I will line up outside.

There will be a place in my classroom  
for me to put my things.

During kindergarten, we will work  
and play inside...

and outside.

We will also sit at the carpet to read stories, share and learn.

I will eat snack and lunch at school.

On some days, we will play and move  
our bodies in the gym.

On some days, we will visit the Music  
room to sing.

Or we will dance in the Dance studio.

On some days, we will also visit the library to look at books.

Our classroom has books too. We will read lots of books in kindergarten!

We will cut, colour and create in kindergarten.
