Welcome to Kindergarten! This year we will be spending the first two weeks of school getting to know all of the incoming kindergarten students. The Kindergarten Teaching Team will spend time with all students to better understand the various personalities and needs. Students will be spending time in all Kindergarten classrooms throughout the 2 weeks. Taking the time to get to know all of the Kindergarten students before setting class lists will help our Kindergarten Team to create balanced classes which take into account everyone’s individual needs. You will be notified on Friday, September 12 of which class your child will be in for the remainder of the school year. An information package specific to your child’s classroom teacher will be sent home on this day with more information regarding specific classroom procedures and routines.
